CENTRO STUDI ITALIANI
Polo Universitario Internazionale®
— since 1985 —

THE SCHOOL: Founded in 1985, Centro Studi Italiani is the first school for foreigners in the Marche Region. Ever since its foundation, the school has provided Italian language and culture classes to more than 12,000 students from 120 countries all over the world.

Centro Studi Italiani offers all levels of Italian; the courses are flexible, varied, rich and unique. Classes are intentionally small to allow students to relate to each other while enjoying personalized and individual attention from faculty.

Each week the school organizes excursions to exquisite destinations of high artistic interest and natural beauty around Italy.

URBANIA: Nestled between the Apennine Mountains and the Adriatic Sea, Urbania is historically known as an ancient center of art and culture. Urbania is a valid alternative to cities invaded by mass tourism. Students have the chance to fully immerse themselves in a safe and unspoiled environment and focus on their studies. In Urbania it is easy to make friends and practice the language.
