

GLENBARD HIGH SCHOOL, ITALIAN LANGUAGE PROGRAM - NOVEMBER 14th 2025

"The Art of Simplicity: Discovering Italian Cuisine and Culture"

October was Italian Heritage Month!

Glenbard High School is celebrating Italian culture and cuisine in collaboration with the Italian Consulate in Chicago – Education Office for the 10th Week of Italian Cuisine in the World 2025, on Friday, November 14th.

This special event will highlight health and culture, honoring Italian culinary traditions and the values of simplicity, sustainability, and gratitude toward nature, inspired by Saint Francis of Assisi's Canticle of the Creatures.

Students will: Taste authentic Italian favorites like pasta and pizza; Enjoy Italian music between class periods; Discover fun facts about Italian culture and cuisine!

Join us as we celebrate the flavors, music, and spirit of Italy — buon appetito!
